External participation and voluntary reviewer panel

The following individuals have supported this research through participation in interviews or structured industry engagement activities and/or reviewed and provided comments on draft versions of the fact sheets.

Ed Corriveau, *Pennsylvania Department of Environmental Protection*
Robert Himschoot, *Crews Environmental*
Juli Beth Hinds, *Vanasse Hangen Brustlin*
Craig Lindell, *Aquapoint*
Shelley Metzenbahr, *University of Maryland*
Valerie Nelson, *Coalition for Alternative Wastewater Treatment*
Charles Pickney, *Adenus Utilities*
David Venhuizen, *OMNI Environmental, Inc*
Jimmy Coles, *Department of Public Health Alabama*
Lloyd Irland, *The Irland Group*
Mike Lynn, *Onsite Solutions of VA Inc*
Stephen Patterson, *Guthrie County Board of Health*
Keith Readling and Henrietta Locklear, *AMEC Earth and Environmental*
Doug Kreul, *Minneapolis Refuse Inc*
Larry McElroy, *Consolidated Utility District of Rutherford County*
David Casaletto, *Ozarks Clean Water Company*
Mary Clark, *Premier Tech Environment*
Tracy Adams, *Biolytix*
Chris Shortt, *Innoflow*
Beth Strang, *Murdoch University*

Participants in the NOWRA 2008 workshop

Fifty individuals participated in the workshop on Regulators and RMEs held at National Onsite Wastewater and Recycling Association (NOWRA) 17th Annual Technical Education Conference and Exposition, Cook Convention Center, Memphis, Tennessee (April 2008). In addition to some members of the project subcommittee and several of the above-listed persons, the following people also contributed:

Bruce F. Douglas, P.E., *Stone Environmental, Inc*
Jennifer Perry Zmijewski, P.E., *Connecticut Department of Environmental Protection*
Ron Bannister, *New Jersey Department of Environmental Protection*
Tom Ferrero, *National Association of Wastewater Transporters (NAWT)*
Yvonne Self, *EcoTechH2O, Inc*
LL "Buddy" Humphries, PE, *Construction Development Inc*
Terry Hull, *ShoreBank Enterprise Cascadia*
Robert E Lee, *Loudoun County Health Dept. and Virginia Onsite Wastewater Recycling Association*
Therese Flapper, *Clearwater Technology, Australia*
Lisa Hajjar, *South Carolina Dept. of Health & Env. Control*
Elke Ursin, *Florida Department of Health, Division of Environmental Health, Bureau of Onsite Sewage Programs*
Victor D'Amato, *ARCADIS*
Tom Grigsby, *Ohio Department of Health*
Stacey Hart, *JSH Inc.*
Sterling Lee Few, *Upper Occocon Sewage Authority*
Ted Loudon, *Michigan State University*

Pres Allinder, *Alabama Dept of Public Health*
Bob McKinney, *River to River*
Bob Conrad, *Mid South Engineering Consultants*
KR 'Trapper' Davis, *Coastal Plains Environmental Group*
Rick Helms, *White River Valley, Env. Sucs. / Ozarks Cleanwater Co.*
Kevin Huff, *White River Valley Environmental*
Bob Smith, *Orenco Systems*
Andy Davis, *New Water Systems*
Jim Converse, *University of Wisconsin, Madison*
Craig Gilbertson, *Ayres Associates*
Roxanne Groover, *Florida Onsite Wastewater Association*
Larry Stephens PC, *Stephens Consulting Service, PC*
Elder Joseph Roberts, *Regional Neighbourhood Community Development*
Bob Pickney, *Adenus Utilities*
